

Access Amazing, Free Content for Your Classroom

Reach the World, in partnership with the Falklands Maritime Heritage Trust, is thrilled to announce the Endurance22 Expedition to Antarctica, the newest and largest virtual exchange expedition in organizational history! The Endurance22 Expedition will search for Sir Ernest Shackleton's sunken ship, Endurance, the most famous undiscovered shipwreck in the world. Learn more and sign up at explore.reachtheworld.org

ENDURANCE22

The hunt for Shackleton's lost ice ship

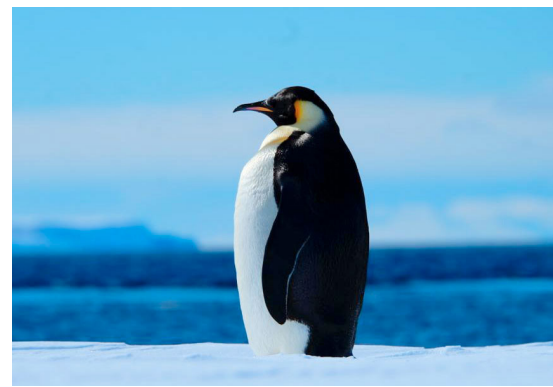

The Endurance22 Expedition is Reach the World's newest and largest virtual exchange expedition, and it's FREE for classrooms!

Real-time articles and video content
from world-class explorers and scientists.

The expedition team will search for Sir Ernest Shackleton's sunken ship, Endurance, the most famous undiscovered shipwreck in the world.

Endurance22 participants will touch on a number of classroom subjects, including STEM, Social Studies, English Language Arts (ELA), and Social-Emotional Learning (SEL)
