

ENDURANCE22

REACH THE WORLD

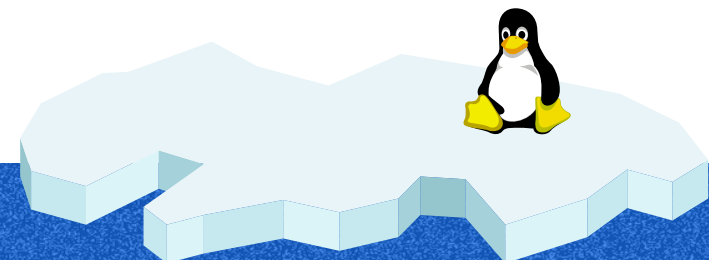

Name _____

Date _____

Class _____

S.A. Agulhas II

~10,000 feet

Endurance

Name _____

Date _____

Class _____

Why was the Endurance so difficult to find?

Where is the Endurance?

How far would an AUV have to travel to find the Endurance?

How long has it been since the Endurance sank? What other major events in world history were happening around the same time?

What might be between the Agulhas II and the Endurance?

Could anything have happened to the Endurance since it sank? List some hypotheses.

Name _____
