

Class: _____

Name: _____ Date: _____

Why Was the Endurance so Difficult to Find?

Where is the Endurance?

How far would an AUV have to travel to find the Endurance?

What might be between the S.A. Agulhas II and the Endurance?

How long has it been since the Endurance sank? What other major events in world history were happening around the same time?

Could anything have happened to the Endurance since it sank? List some hypotheses.

REACH THE WORLD

Bringing the World into Classrooms
